Analysis and Storyboard – Retail Dashboard (SuperStore Dataset)

Dashboard Analysis:

Page 1 – Executive Summary

• KPI Cards:
 - Total Sales
 - Total Profit
 - Profit Margin %
 - YoY Growth %
• Visuals:
 - Line Chart → Sales Trend over Time
 - Map → Sales by Region
• Highlights:
 - Multi-row card / visual → Top Products by Sales

Purpose: This page is designed for executives, gives a quick at a glance view of performance, key metrics, and high-level regional insights.

Page 2 – Detailed Analysis

• Visuals:
 - Combo Chart → Sales & Profit (columns) with Margin % as line
 - Category/Region Breakdown → Sales comparison by category or region
• Tables:
 - Product-level detail table (Top 10 products with Sales, Profit, Quantity)
• Other visuals (if included): heatmap/regional breakdown for side-by-side comparisons

Purpose: This page is for analysts/managers, it dives deeper into operations, showing how products, categories, or regions are driving overall performance.

Storyboard:

Page 1 – Executive Summary (Overview)

• Top row → KPI Cards (Sales, Profit, Margin %, YoY)
• Middle → Line Chart (trend) + Map (region-wise sales)
• Bottom → Top Products

Page 2 – Detailed Analysis

• Top → Combo Chart (Sales + Profit + Margin)
• Middle → Category/Region comparisons (bar/small multiples)
• Bottom → Detailed Product Table (Top 10)
